Mr. Ridgeley Hutchinson
President/CFO
Truchart Productions
50 Mt Airy Village Rd
Lambertville, NJ 08530

Dear Ridgeley,

On behalf of NJTV we are pleased to learn of your exciting project "If These Stones Could Talk, (Unearthing the Story of Slavery in the Garden State)". Please keep me apprised of your progress as things move forward, as we would be very interested in broadcasting the documentary on NJTV once it is complete.

Good luck with the project and let me know if there is anything we can do to help during production.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Servidio', with a long horizontal flourish extending to the right.

John Servidio
Vice President Subsidiary Stations, WNET
General Manager, NJTV
